1. We are taking necessary action with regard to the spare parts kits for the RS-6 as requested in the reference.

2. However, forwarded herewith is a headset which overcomes the two main objections to the one included with the RS-6; i.e., plastic earpiece and only one ear piece, and yet is much more compact than the type of headset requested by in the attachment to the reference. Would you please show the attached headset to to determine if he would prefer it to the type he requested. If he does, we will supply the headsets from here, while the rest of the equipment will be sent from Headquarters.
